March 20, 2013

Topics

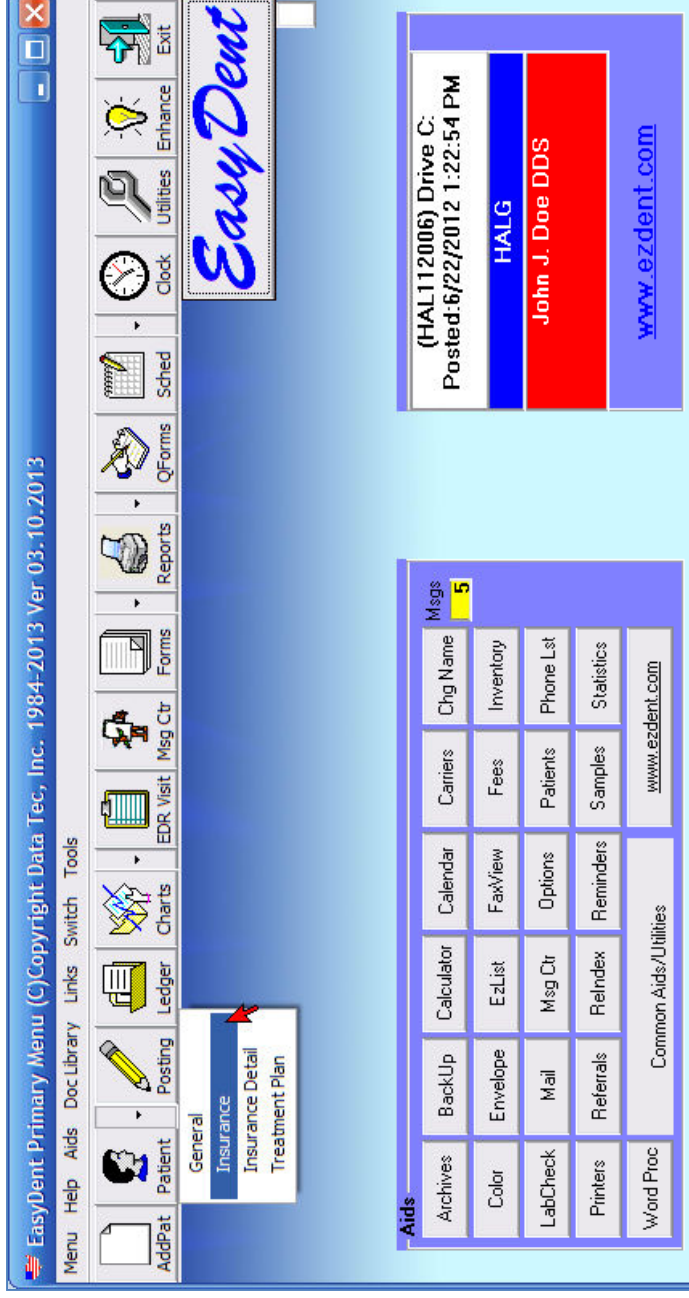

- Update your EasyDent Software
- New Primary Menu Advantages
- New Schedule Advantages
- New Interfaces with *Patterson* Imaging, *Kodak* Imaging, and more!
- New “Family Aging” Billing Statements
- Hints & Techniques
- Electronic Dental Records
- Cloud Services
- 3rd Party Recall Services
- “Question & Answer” Session

Update EasyDent Software

- www.ezdent.com link, on bottom-right of Primary Menu
- Select “Support” tab, then “Technical Notes” Link
- Click “[Internet Update Instructions](#)” link
- Call Data Tec for current Update Password

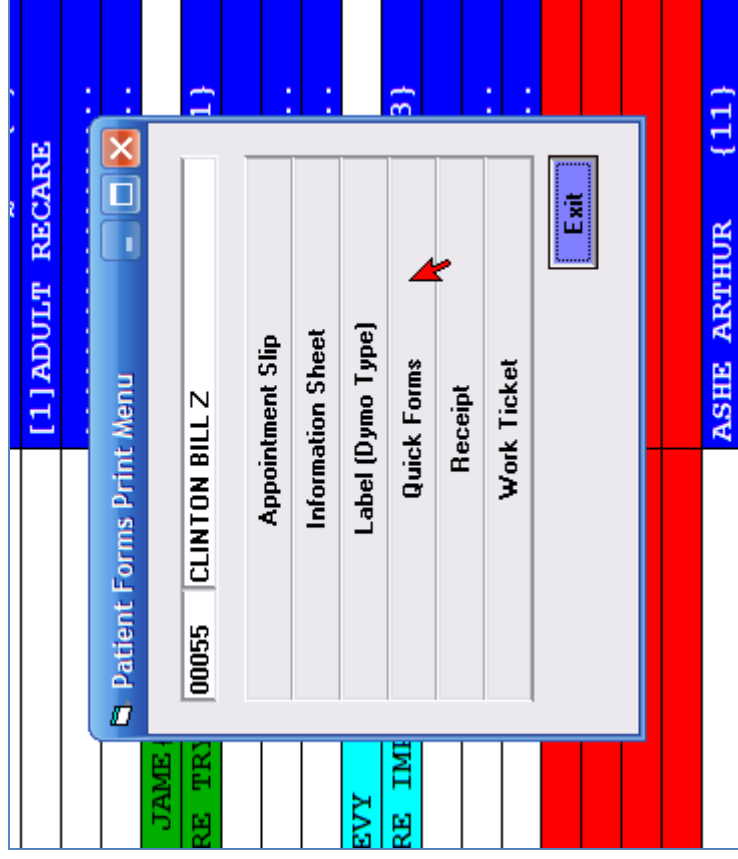

New Primary Menu Advantages

1. Resize it and place it anywhere you want on your desktop, then click “EasyDent” button (in the upper-right) for it to remember the size & position.
2. Drop-Down Arrow links directly to patient records
3. All new future Menu Features

[Primary Menu](#)

New Schedule Advantages

1. Multiple staff can update the same day at the same time - Eliminates the “No Browse” Mode.
2. New Features like Pop-Up Print Menu, including Quick Forms

[Primary Menu](#)

Make sure You're Using the New Primary Menu and the New Schedule!

1. Make Sure Everyone is out of the schedule!
2. Go to the “options” in the lower-left of the Primary Menu and check the 2 green options:
 - **Recommended Schedule Without Browse Mode**
 - **Recommended Primary Menu**

Digital X-Ray & Imaging

Interfaces

- Apteryx**
- Dexis**
- DataGrabber**
- EVASoft**
- Gendex**
- Kodak**
- Patterson**
- Schick**
- Suni**
- Tiger View**
- XDR Radiology**
- Visix**
- VixWin**

Default Imaging System

- None
- Apteryx
- Schick
- Tiger View or Visix
- Dexis X-Ray
- XDR Radiography
- VixWin (Gendex)
- Kodak
- Kodak Ortho
- Patterson Imaging**

If you don't see your imaging system here, no worries. Have your imaging software sales person contact us; We can build a bridge to most systems or you can Use DataGrabber.

Remember: you can open your X-Ray or Imaging software Directly from Patient Screens and the Schedule.

X-Rays & Imaging directly from Patient Screens

Interface directly with your X-Ray and/or Imaging system with the Camera Icon. Set it to your default imaging software.

If you use multiple imaging packages, no problem; just use the drop-down arrow to select which system to launch.

"Family Aging" Billing Statements

STATEMENTS

- Individual Statement for one Patient
- Ortho Style Ledger Based
- Ortho Style Contract Breakdown Based
- Individual Statement for Multiple Patients
- Family Statements without Aging
- Family Statements with Aging

Try Using the View and even Edit Statements before Printing or Sending them Electronically

EasyDent Cloud Services

**Tired of upgrading your computers every few years?
Not sure you are backing up your system properly?
System seems to run slower and slower over time?
Want to reduce your Computer Technician or IT fees?**

EasyDent Complete Cloud services include:

- 1. Access EasyDent from any location**
- 2. Speed based only on your Internet speed, not the age and condition of your computers**
- 3. Schedule, Post, Bill, Insurance, Recall, Electronic Dental Records, all the same functions you do locally**
- 4. Backup is taken care of for you**

3rd Party Appointment Confirmation and Reminder Service

- Automatically marks appts 'confirmed' in *EasyDent*
- Reaches patients with email, 2-way text, automated phone call, postcards, and letters
- Automates any schedule, any combination of all message types, to remind patients to schedule appts
- Integrates with *EasyDent*
- No commitment required; try it and see if you like!

**Give us a call to find out more:
(636) 256-7401**

Q & A Session

Please use your Message Window to type in a question and we will repeat it so everyone can hear it, and then try to answer it.

Thank you 😊

The End
